

for Porsche 911 Convertible (996)

With the SmartTOP module there are no waiting periods or annoying stops to open/close your convertible top. Operate the top with just a short tap instead of holding the switch down.

A Short Tap:
Your top and windows close
No more need to hold the button down.

A Short Tap:
Your top and windows open
No more need to hold the button down.

Open/Close the top while driving

Never have to stop again for your top:
Open/Close your top while driving.

One-Touch power convertible top

„One-Touch“ convertible top operation
allows your top to open or close
automatically.

Reversible plug-in installation
