

for Ford Focus CC

Start enjoying top down fun more often and with fewer hassles: now you can enjoy one touch control, even while driving - adding extra convenience for your everyday lifestyle. Additionally, the SmartTOP module allows your Ford factory key fob to remotely control the convertible top.

2x

Tap Two Times: Your top and windows open

Tap the open button two times in a row and the top and windows of your Ford Focus open.

3x

Tap Three Times: Your top and windows close

Tap the close button three times in a row and the top and windows of your Ford Focus close.

Remote control of convertible top

Open/Close your convertible top using the original factory remote control key/key fob.

Open/Close the top while driving

Open/Close your top while driving. Speed programmable up to 40kmh.

One-Touch power convertible top

„One-Touch“ convertible top operation allows your top to open or close automatically.

Individually programmable

Configure functions of the module to meet your personal preferences via our signature blinker setup menu.

Passive / Invisible mode

Turn the whole module off with an easy key sequence. Ideal when letting someone else drive your car.

Reversible plug-in installation

Remove any time allowing sale or return of a leased vehicle in it's original condition.

Top convenience mode

Turning the ignition on or off does not interrupt convertible top operation.

Plug-n-Play Wiring harness

Custom designed plug-in-between wiring harness for extremely simple and quick installation included.

Hazard Signals

Optionally the hazard blinkers are activated while top is operated from the remote.

USB Port for easy updates

This module can be updated using any Windows PC / Laptop with Internet connection.
