

for Mercedes Benz SLK, CLK & SL

Envision opening your convertible with the help of our unique SmartTOP module, using your existing Mercedes factory key fob, as you walk up to your vehicle - a topdown drive cannot begin more elegantly! Ready to go but don't want to wait? Imagine the convenience, and the looks you will receive, as you put the top up or down while you start or end your drive.

3x

**Tap Three Times:
The top and windows close**

Tap the close button three times in a row and the top and windows of your Mercedes close.

3x

**Tap Three Times:
The top and windows open**

Tap the open button three times in a row and the top and windows of your Mercedes open.

Remote control of convertible top

Open/Close your convertible top using the original factory remote control key/key fob.

Full text setup in car display

Configure functions of the module to meet your personal preferences via our full text setup menu.

Separate window control

Raise and lower the windows separately by remote without activating the top.

Comfort window open/close

One-Touch opening/closing of all windows via quick double tap on the top switch.

Home Light

Remotely activate the headlights for 30 seconds.

Open/Close the top while driving

Open/Close your top while driving. Speed programmable up to 40kmh (CLK) / 60kmh (SLK & SL).

Passive / Invisible mode

Turn the whole module off with an easy key sequence. Ideal when letting someone else drive your car.

Chirp-signal function

When locking and/or unlocking the car, the horn sounds briefly if desired.

Hazard Signals

Optionally the hazard blinkers are activated while top is operated from the remote.

Plug-n-Play Wiring harness

Custom designed plug-in-between wiring harness for extremely simple and quick installation included.

One-Touch power convertible top

„One-Touch“ convertible top operation allows your top to open or close automatically.

Reversible plug-in installation

Remove any time allowing sale or return of a leased vehicle in it's original condition.

Top convenience mode

Turning the ignition on or off does not interrupt convertible top operation.

Automatic door locks

Set power locks to automatically lock and unlock the doors when you drive.

USB Port for easy updates

This module can be updated using any Windows PC / Laptop with Internet connection.
