

for AUDI A3, A4 and TT

Enjoy the sunny side of life more efficiently with the unique SmartTOP module and upgrade your Audi to become even more intelligent. At the touch of a button, open and close your convertible top from a distance. Or operate the top while moving - and you thought your Audi was intuitive before!

**3x Tap Three Times:
Your top and windows close**

Tap the close button three times in a row and the top and windows of your Audi close.

**3x Tap Three Times:
Your top and windows open**

Tap the open button three times in a row and the top and windows of your Audi open.

Remote control of convertible top

Open/Close your convertible top using the original factory remote control key/key fob.

Individually programmable

Configure functions of the module to meet your personal preferences via our signature blinker setup menu.

Separate window control

Raise and lower the windows separately by remote without activating the top.

Chirp-signal function

When locking and/or unlocking the car, the horn sounds briefly if desired.

USB Port for easy updates

This module can be updated using any Windows PC / Laptop with Internet connection.

Open/Close the top while driving

Open/Close your top while driving. Speed programmable up to 40kmh (A4), max 60kmh (A3 & TT).

Passive / Invisible mode

Turn the whole module off with an easy key sequence. Ideal when letting someone else drive your car.

Comfort window close (A3/A4)

One-Touch operation when closing all windows simultaneously via the separate driver's door switch.

Hazard Signals

Optionally the hazard blinkers are activated while top is operated from the remote.

One-Touch power convertible top

„One-Touch“ convertible top operation allows your top to open or close automatically.

Reversible plug-in installation

Remove any time allowing sale or return of a leased vehicle in it's original condition.

Top convenience mode

Turning the ignition on or off does not interrupt convertible top operation.

Plug-n-Play Wiring harness

Custom designed plug-in-between wiring harness for extremely simple and quick installation included.
