

for BMW 1, 3, 6 series, Z4, Mini

Enjoy that ultimate top-down driving experience with even more ease. The last thing you want to do is wait for your top to go up or down, demanding you to stay parked and hold a button down. Now the SmartTOP module allows you to operate your BMW convertible top by using your factory key fob as you walk up to, or away from your vehicle. Can't wait? You can even put the top up or down while driving up to 40 kmh / 25 mph.

**Press Briefly:
Your top opens**

Hold the open button briefly to open the top and windows automatically.

**Press Briefly:
Your top closes**

Click the close button briefly to close the top and windows automatically.

**Tap Twice:
Your top moves into Comfort
Access position**

When the top is open, tapping twice on the trunk button automatically moves it into the Comfort Access position (only E89/E93).

Remote control of convertible top

Open/Close your convertible top using the original factory remote control key/key fob.

Individually programmable

Configure all functions of the module to meet your personal preferences via our signature blinker setup menu.

Separate window control

Raise and lower the windows separately by remote without activating the top.

Top convenience mode

Turning the ignition on or off does not interrupt convertible top operation.

Automatic door unlocking

Automatically unlock the doors when turning the ignition off. No more pulling the door handle twice.

USB Port for easy updates

This module can be updated using any Windows PC / Laptop with Internet connection.

Open/Close the top while driving

Never have to stop again for your top: Open/Close your top while driving. Speed programmable up to 40kmh.

Passive / Invisible mode

Turn the whole module off with an easy key sequence. Ideal when letting someone else drive your car.

Separate Sunroof control (Mini)

Open and close the sunroof separately by remote without activating the top.

Comfort window close

One-Touch operation when closing all windows simultaneously via the separate driver's door switch.

Invert switch logic (E93)

Direction of center console top switch can be changed to „pull to open“ and „push to close“.

One-Touch power convertible top

„One-Touch“ convertible top operation allows your top to open or close automatically.

Reversible plug-in installation

Remove any time allowing sale or return of a leased vehicle in it's original condition.

Trunk Comfort Access (E89/E93)

One-Touch Comfort Trunk Access for the top.

Folding Mirrors (E88/E89/E93)

On models equipped with motorized mirrors, fold them in and out by remote.

All door unlocking (Comf. Acc.)

Touch sequence on driver's door handle opens all doors (Comfort Access option required)
